Submission Of Corrected Drawings

Dear Sir:

In response to receipt of a Notice Of Allowance And Fees Due, mailed 27 April 2004, for the above-identified matter, I submit on behalf of the Applicants corrected drawings (Figures 1-3 and 5-11), plus Figure 4, for the application. The photographs for Figures 3-7 are unsuitable for reproduction, and no better photographs are available. I have prepared and herewith submit Figures 3 and 5-7 as line drawings, replacing the photographs, which are believed to show the features discussed in the patent specification. I do not believe photographs are suitable for Figures 3-7. I request approval of these corrected or substitute drawings by the Drawing Examiner.

Figure 4 is also being prepared as a line drawing, using the specification to attempt to reproduce this Figure, but is not yet completed because this photograph does not clearly show all features this Figure is intended to show. I hope to complete and submit a line drawing for Figure 4 within the next few days.

Respectfully Submitted,

A handwritten signature in black ink that reads "John Schipper". The script is cursive and fluid.
